Dell Laser Printer 1100

Produce crisp and sharp monochrome documents with the Dell Laser Printer 1100.

The 1100 is Dell's lowest-priced laser printer, delivering high performance and outstanding value with print speeds up to 14 A4 pages per minute (ppm) and a print output quality of 600 x 600 dots per inch (dpi).

The 1100 is perfect for the home or small office – even as a private personal printer.

With a small footprint measuring a mere 358 x 299 mm and an ultra-quiet operation, the 1100 is as practical as it is versatile, supporting a wide range of media including labels, envelopes, thin card and even transparencies.

Owning a Dell printer is easy. With the Dell Toner Management System, you gain the benefit of having your toner levels monitored automatically and the convenience of being alerted on-screen before your toner runs out. Simply link straight to the Dell web site where you can order additional supplies online, or by telephone if you prefer.

For additional peace of mind, one year's next business day unit exchange service is included as standard with the option to extend support for up to three years.

The Dell Laser Printer 1100 delivers:
